# Commercial Specialist Mills

## William Nelstrop and Co Ltd

Albion Flour Mill, Stockport, Cheshire, SK4 1TZ.
+44 (0) 1614 803071

Nelstrop's mill is an old and established business which started with a windmill and developed over the years to be modern roller mill, processing flour for general retail and commercial wholesale.

www.nelstrop.co.uk

The flour types include specialist baking, pizza and bread flours and they have a range of 100% English flours. For home use, there is a list of suppliers on the website and there is a separate website for commercial buyers.

The flour produced by Nelstrop's is a rolled milled product which is produced to the highest commercial standards. Some of the products are bagged in artisan stitched flour bags and the flour is also available in commercial sized sacks.
