Yorkshire Organic Millers

Hill Top Farm, Spaunton, Appleton-le-Moors, YO62 6TS
+44 (0)1751 417 789

Hill Top Farm was established as a working mill in 2005, when locally grown organic flour was milled to produce wholemeal and 85% extracted flour for sale to local organic outlets in Yorkshire.

The flour is available in 1.5 kg bags and 16 kg sacks and includes wheat, rye and spelt products.

The flour produced by Hill Top Farm is a quality product and it is well worth the time to seek out this flour for bread making.

Check their website for sales outlets as well as their other products.
